A trusted partner

The Bilendi Group is a leading provider of technology, data, and AI solutions for the market research industry. It offers access to over 4 million participants for online market research through its proprietary panels in 44 countries.

We adhere to the quality standards defined by the market research industry and are members of the major European professional associations.

Our quality management fulfills the strict criteria of the international **ISO standards 20252:2019**, a certification specifically for market, opinion and social research, relating to the way in which market research studies are planned, carried out, supervised, and reported to clients.
